

Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach. However, NSPF star ratings were not calculated for the 2021-2022 school year in accordance with flexibility offered by the United States Department of Education addendum for accountability.

School Specific Information

To provide support and meet school and district goals, Don and Dee Snyder Elementary School is using allocated Title I funding for class size reduction.

Specific information regarding the plan for continuous improvement can be located on the school's website in the School Performance Plan (SPP): A Roadmap to Success.

Sincerely,

Stephanie Dalton

Principal
