

4th Grade Supply List

2025-2026

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that parents choose to buy additional school supplies for their children and/or classroom. Should you decide to do this, the following are items that would be appropriate for your child's grade level. These are suggested items and are not mandatory. If you decide to purchase school supplies, the following items would be greatly appreciated.
