Welcome to Don & Dee Snyder ES

Meet & Greet ~ August 7, 2025

HOUSES OF SNYDER

We implement the Ron Clark Academy House System as our positive behavior support for all students. The house system fosters school-wide community, promotes academic engagement, and develops students as leaders in their school. Each month, we celebrate the leading house. Students earn points in class and throughout the school for a variety of positive behaviors.

Students in grades 3-5 can join House Council which provides leadership opportunities, develops responsibility, and allows students to represent their peers and our school.
